F: Long Comprehension (۳ points)

We live on a beautiful place. It is Earth. Earth has very clean and attractive nature full of green places. Nature is our best friend which provides us all the resources to live here. It gives us water to drink, pure air to breathe, food to eat, land to stay, animals, plants for our other uses. We should fully enjoy the nature without disturbing its balance. We should take care of our nature, make it peaceful, keep it clean and prevent it from the destruction so that we can enjoy our nature forever. Nature is a most precious gift given by the God to us to enjoy but not to harm.
